LIGHTWEIGHT PLUNGE & PIUMI

SMALL QUANTITY SERVICE
STARTING FROM 150M

VERSATILE LIGHTWEIGHT FABRICS

With almost a century of expertise in the manufacture of woven synthetic textiles Concordia Textiles is a trusted supplier to a large number of fashion brands. Being an industrial weaving mill, the standard minimal order quantity is 1.000 m per color.

Due to the high demand in the market for our lightweight Piumi and Plunge fabrics, we have introduced a Small Quantity Service (SQS) for these products.

This service offers the possibility of ordering just 150 m of these fabrics in a selection of colours which we have in stock.

PLUNGE

With its smooth handfeel and semi dull look Plunge is a perfect quality for quilted and fake down jackets.

This lightweight polyester fabric is printable and suitable to use as a lining or as an outershell.
